TENTATIVE PROGRAM FOR MEMORIAL DAY IS ANNOUNCED

Mason County Committee Indeed Fortunate in Procuring Col. Sam M. Wilson For Chief Address.

The program committee of the Mason County Soldiers' and Sailors' Association count themselves fortunate in securing Lt. Col. Samuel Mackay Wilson of Lexington to deliver the principal address at Beechwood Park on Memorial Day.

Col. Wilson is a thorough Kentuckian, being born in Louisville 47 years ago. He attended the Louisville public schools; Centre College, Danville, Ky., and Williams College, Mass. He taught school at Millersburg, Ky., before taking up the practice of law at Lexington. Here he was one of the most prominent men of the state in legal profession at the outbreak of the war.

At this time he could have obtained a commission for the asking. In spite of the fact that he was many years beyond the draft age he attended an Officers' Training School at Plattsburg, N. Y., and after receiving his commission asked for immediate overseas service. He was in the thick of the fighting on the western front and was once wounded severely.

While Col. Wilson was yet overseas his many friends throughout the State started a campaign to boost him for the Democratic gubernatorial nomination. Upon his return to this country in the early part of May he declined to make the race for that honor.

As an orator he is ranked as one of Kentucky's best and the Committee is indeed proud of the treat it has in store for the people of Mayville and Mason County on May 30th.

The tentative program for the services at Beechwood Park beginning promptly at 1:30 o'clock follow:

Captain Robert A. Cochran, Chairman.
Concert—Boys' Band.
Remarks—Chairman.
America—Audience.
Invocation—Rev. J. S. Stevenson.
Selection—Soldiers and Sailors Quartet.
Remarks—Judge C. D. Newell.
Solo—Mrs. H. C. Barnes.
Address—Lieut. Col. S. M. Wilson.
Selection—Soldiers and Sailors Quartet.
Star Spangled Banner—Audience.
Benediction—Dr. John Barbour.
The decoration of the graves of all the soldiers will take place in morning.

CITY TAX SUPERVISORS COMPLETE THEIR WORK

Figures Are Not Yet Tabulated But Considerable Increase Over Last Year Is Expected—Assessor Prepares for Committee.

The Board of City Tax Supervisors which has been in session each day for the past three weeks, completed its work this morning and finally adjourned for the year. The work of the Supervisors was turned over to the City Assessor, who assisted by the Assistant Treasurer, began at once to tabulate the assessment and find its totals.

The officials today are unable to give out any official figures on the city's assessment but it is felt certain that there will be a considerable increase over last year's figures when they are finally reached. The Board just adjourning made several changes from the reports as turned in by the taxpayers and the most of these changes were increases while some few were decreases.

The officials are of the opinion that the report blank system used by the city this year for the first time has proven itself a great success. They report that there is much more personality listed for taxation this year under this system than ever before under the old system.

City Assessor Harney expects to have figures in good shape for the use of the Ways and Means Committee of Council when they come to make up the city's annual budget on next Monday.

MISSIONARY MEETING IS GREAT SUCCESS

The meeting of the Missionary Union of the Bracken Association of Baptist which was held at the Lewisburg Baptist church Tuesday was a great success according to the delegates from the local organization in attendance. There was a large delegation of women present and some very interesting addresses by people in the district as well as women from the state headquarters at Louisville.

NOTICE

Any one having any note or claim against the estate of Mrs. Fannie A. Hays, deceased, is requested to present the same to the undersigned Executor, duly authenticated, for payment. Any one indebted to said estate, is requested to call and pay.

J. F. BARBOUR.

FOR SALE

The agency of the Cincinnati Post in the down town district is for sale. Too busy to give it proper attention. HARRY TAYLOR.

MAYSVILLE HIGH RANKS FOURTH IN Y. M. C. A. CONTEST

Cynthiana High School Wins Silver Trophy Offered By State Y. M. C. A.—Local School in Front Ranks.

Cynthiana High School wins the sweep stakes silver trophy offered by the Kentucky State Y. M. C. A. in the annual Bible Study Contest among High School boys. This trophy was won last year by Nicholasville. Any high school winning the trophy three times keeps it.

Cynthiana also wins the cup offered for schools of its class and will keep this prize. Heath High School in McCracken county wins the cup in schools of its class and will keep it.

Boys in forty-three high schools in the State entered the contest and 36 finished, boys in 23 schools taking the final written examinations, a total of 1,660 high school boys were enrolled. The Bible Study contest course was one of a number prepared under the direction of the International Y. M. C. A. and the general topic was, "Jesus the Leader." The schools of the state were divided into three classes; class one for schools of 300 or more boys enrolled, Class two from 50 to 300 boys enrolled and class three from 10 to 50 boys enrolled. No high school having less than 10 boys enrolled was allowed to enter and so a number of country high schools were allowed to enroll boys in the eighth grade. The decision was on points of enrollment, attendance and final written examination.

The contest for the state trophy was a hot one. Cynthiana with a total of 4,070 points, was only 36 points ahead of Franklin. Heath was third, Barbourville fourth and Nicholasville, the winner last year, fifth.

In schools of the second class, Cynthiana was first, Franklin, second, Paris third and Mayville fourth. In schools of the third class, Heath was first Barbourville second, Nicholasville third, and Mt. Sterling fourth. Heath was only 12 points ahead of Barbourville and Nicholasville was only 6 points behind Barbourville.

On the final examination 604 boys took the written test and turned in their papers. Of these 536 passed with a grade above 65. Three High Schools made a perfect score on the final test, each boy entering passing the grade above 65. They were Cynthiana, Barbourville and Slaughter.

THRIFT CLUBS ORGANIZED IN LOCAL SCHOOLS

Government Representative Spends Day Here and Organizes Thrift Stamp Clubs in Every City School.

Mr. J. B. McBirney, of St. Louis, an employee of the Eighth Federal Reserve district, spent Wednesday in Mayville in the interest of organizing Thrift Clubs among the school children and it was a very successful day for a very enthusiastic club was organized in every school in the city and a full corps of officers elected for each club.

Every member of one of these clubs pledges to save at least 25 cents a month to be invested in government Thrift stamps. The plan is not only patriotic to the core but it also instills the principle of thrift into the children and the plan met with the hearty approval of the city school authorities who loaned the work all the co-operation possible. Superintendent W. J. Caplinger accompanied the worker to all of the schools and helped in the organization of the clubs.

BANK BUILDING WILL GO UP QUICK

The Bank of Mayville's new building contract for the erection of which was awarded Harding & Simms Tuesday will be built very quickly. The contractors hope to be able to begin on the erection of the building as soon as they complete the removal of the old building. Sub-contractors will be ready to get in on the job at the earliest possible date.

TWO COUNCIL MEETINGS TO BE HELD TONIGHT

Two council committee meetings are scheduled for the Council Chamber this evening. The Laws and Ordinance committee meets to go into the garbage ordinance question and the Proposition and Grievance committee will meet to look into several complaints lodged with them.

BOYS DESTROYING YARDS

Considerable complaint is being heard from the East end of the city about boys destroying yards and gardens. The chief complaint is that the youngsters in playing at night run through the front yards and destroy and pull up flowers. The matter is being investigated by the officers.

STATE CONFERENCE OVER TOP WHEN DRIVE CLOSSES

Centenary Drive in Southern Methodist Church Closes With Covington District Leading.

The Kentucky Conference of the Methodist Episcopal Church, South, was \$51,814 beyond its quota, when the Centenary Missionary drive of the church closed Tuesday night. The Covington District of the state led with subscriptions amounting to \$120,750.

Total subscriptions in the conference were \$671,814 against a quota of \$620,000 and belated subscriptions will be coming in for several days according to W. W. Ball, conference director. It is thought that the final report will be near \$680,000. Reports from the northern branch of the church in the state will not be available for a day or two, H. P. Dudley, state Centenary secretary, said Tuesday night.

Subscriptions in the districts of the Kentucky Conference of the southern branch are as follows: Covington—\$120,750. Danville—\$119,683. Lexington—\$114,032. Mayville—\$111,266. Frankfort—\$102,962. Shelbyville—\$76,195. Jackson—\$26,926.

MUNICIPAL BAND STAND READY BY FRIDAY

First Concert To Be Given in New City Band Stand on Decoration Day Afternoon—Work Progressing Rapidly.

Contractors Harding & Simons are making rapid headway on the municipal band stand in Market street and it is now nearing completion. Although the stand will not be painted or wired for electricity by Decoration Day, it will be used on that day for the first time and beginning promptly at two o'clock the Boys' Band will give a concert before leaving for Beechwood park where they will make music for the Memorial Day celebration.

The band is making rapid progress. Those who heard it on last Sunday afternoon at Washington report that it is wonderful the amount of musical knowledge the youngsters are getting in such short time.

The first practise at playing on the march will take place this evening in one of the large tobacco warehouses in the East end and Prof. J. W. Young, the director, expects to have the boys so that they can play on the march in a very short time. This practise at the warehouse will be continued for some time or until the boys can make music on their feet and they will then be paraded through the city streets until they become proficient at band marching.

OLD ELECTION OFFICERS WILL SERVE JUNE 11

There was a meeting of the Mason County Election Commissioners called Tuesday to go into the matter of selecting election officers to serve at the special road tax election on June 14. After going into the matter thoroughly, the commissioners decided that the old officers hold over for a year and they will serve in the coming special election.

MORE TEACHERS MUST TAKE AGRICULTURE EXAM.

Only about two-thirds of the teachers in the Mason county schools took the special agriculture examination last week and there will be another examination given during June when those who failed to take it must report and go through the test.

All union barbershops will close at noon Friday—Decoration Day. 27-3t

NC-4 READY TO CONTINUE TRIP ON TO ENGLAND

American Aircraft Reaches Portugal Safely and Is Ready to Continue to Plymouth, England.

Lisbon, May 28. — The Americans who flew across the Atlantic were ready today for the hop-off of more than 700 miles from Lisbon to Plymouth, England. This jump will complete their historic air voyage, which started from Rockaway Beach, N. Y.

Lieutenant Commander A. C. Read, first man successfully to navigate the air lanes all the way across the sea, was up early this morning looking over prospects of getting away for England at once.

The NC-4 swept over Lisbon shortly after 4 p. m. Tuesday, New York time, after a nearly perfect trip from Ponta Delgada, Azores. It settled gracefully in the river beside the American warship Rochester.

The event, marking an epoch in the annals of aviation, was hailed by a bedlam of whistles and bells from the city and the ships in the stream. Throngs were massed on house tops and in the streets to hail the American conquerors of the air as they appeared in the sky. Guns were fired to add to the din.

Small boats darted out from the shore, filled with excited Portuguese and clustered around the NC-4, as it rested in the water after its 800-mile jaunt. The flight from the Azores was smooth and uneventful, according to the crew.

Soon after their arrival, Read and his men received formal congratulations from Portuguese officials. Wireless congratulations also were received from Admiral Jackson and Captain Wortman at the Azores and from other officials.

Read was handed two messages when he reached here to be delivered in Plymouth. One was addressed to Queen Mary and was from Rodman Wanamaker, who organized the first projected trans-Atlantic flight.

The first thing the aviators heard when their motors stopped was the music of the "Star-Spangled Banner" floating over the water from the U. S. S. Rochester. They saluted.

Replying to the congratulations of the foreign minister, the American minister declared his belief the flight would improve relations between Portugal and the United States. He thanked the aviators who won for the United States the honor of having its flag carried first across the sea thru the air.

SUNDAY SCHOOL CLASSES ENJOY SOCIAL HOUR

Two Adult Classes of the Third Street M. E. Church Sunday School Enjoy Fine Social.

One of the most delightful Sunday School class affairs given this season in Mayville was that of the Epworth Class at the Third Street M. E. Church Tuesday evening. The Epworth Class is one of the largest adult women's classes of the city, being composed of over fifty of the city's best women. The class is one of the first organized classes along the lines of the international organization in this section. Within the last few months since this Sunday school took on new life, and especially since Prof. T. J. Currey became the teacher the class has grown by leaps and bounds.

At seven o'clock the class members met for a business session at which time the following officers were elected for the year:

President—Mrs. Ben F. Cole. Secretary—Mrs. R. T. Watson. Treasurer—Mrs. William O. Davis. Librarian—Mrs. Isaac Watkins.

At 7:30 the Brotherhood Class, Carl Dodds, teacher, arrived to be the guests of the ladies for the evening. With them came a number of visitors. The following program was then carried out:

Chorus—"The King's Business" led by Mr. Dodds.

Piano Solo—Miss Juanita Richardson.

Address by the teacher, Prof. Currey.

Solo by Mr. Dodds.

Short talk by the Superintendent.

Reading by Mrs. Simon Alper.

The meeting then resolved itself into a pleasant social affair. Refreshments were served, and a delightful hour was spent in true Methodist fellowship.

The Class announced that this is but just the beginning of a series of such events. This was pleasing news to the visitors as all will look forward with pleasant anticipation to future events of like nature. The whole Sunday School will profit by such meetings. Watch this class and see it grow.

IS YOUR WIFE WORTH \$50,000?

Ralph Carter secured a loan on his for that amount and escaped going to prison. Suppose your husband gave you as security to a former lover for \$50,000 to escape going to prison. What would you do? See what Dorothy Phillips does in "The Bargain" at the Pastime tomorrow, Thursday, May 29.

PERMANENT MEMORIAL TO BE DISCUSSED HERE ON FRIDAY

Some Permanent Memorial May Be Started at Memorial Day Celebration Here Friday—Committees Will Dine With Speaker.

It is understood that the much belated movement to erect some form of permanent memorial for the Mason county soldiers who served during the World War may get under headway in Mayville on next Friday at the Memorial Day Exercises to be held at Beechwood Park.

It was learned today that the special committees from City Council, the County Fiscal Court and the Mayville Chamber of Commerce, appointed to look into the advisability of erecting some sort of memorial for the Mason county boys, have been asked to dine with Lieutenant Colonel Samuel M. Wilson on Friday and in this it is seen that some attempt will be made to get the committees together and started in some direction.

At a Memorial Service held in Cynthiana a few days ago, Col. Wilson put on foot a movement to erect a great Memorial Hospital for the Harrison county boys and it is expected that the memorial for the soldier boys will be discussed by him in his address at Beechwood on Friday.

The biggest problem here seems to get the three committees together and decided upon some form of memorial. There have been a half dozen different forms of memorial suggested but the committees have never yet been able to get together to discuss any of these suggestions at length.

NAVY GETTING MANY RECRUITS HERE

The local recruiting station of the United States Navy is meeting with great success in securing new recruits in Mayville and Mason county. A delegation of about twenty youths was sent to Louisville this morning having passed the preliminary examination here.

WINS GARBAGE PRIZE IN SECOND WARD

Little Tommy Mahoney won the one dollar prize for the largest collection of rubbish in the Second ward Tuesday. This industrious little chap won the prize in the Second ward in last year's clean-up campaign.

Miss Nellie Dickson of East Second street is visiting her niece, Mrs. Clint Bramel of Wedonia.

THE DAILY PUBLIC LEDGER

Published Every Afternoon Except Sunday By
THE LEDGER PUBLISHING COMPANYQUARTET OF FRENCH CHAMPIONS LOOM UP AS
FAVORITES IN INDIANAPOLIS 500-MILE RACE

Easily the most formidable racing aggregation that Europe has ever sent to America to compete for international speed honors, the Bablot team, composed of Rene Thomas, Albert Guyot, Jules Bablot and Louis Wagner, will go to the post as favorites in the Indianapolis 500-mile Liberty Sweepstakes on the Indianapolis speedway, May 31st.

Each member of the team is a star of highest rank, and the speed creations they will drive have been prepared especially for the Indianapolis event, having been secretly built in a private Paris factory since the armistice was signed.

Rene Thomas is famous on this side of the big puddle as winner of the Indianapolis 500-mile race in 1914, the greatest international event held in this country to date. Guyot finished third in this contest, and won a fourth-year before. Bablot has a string of European victories to his credit as long as his arm, and Wagner won the 1906 Vanderbilt on Long Island and the 1908 Grand Prix at Savannah.

WILD MAN FROM THE WEST WILL FURNISH
PLENTY OF THRILLS IN BIG HOOSIER RACE

Wilbur De Alene, dubbed the wild man from the West by racing drivers, is expected to display his usual brand of sensationalism in the Indianapolis 500-mile Liberty Sweepstakes on the Indianapolis Motor Speedway, May 31st.

When De Alene first broke into the racing game, on the dirt tracks, he made a specialty of fence busting, due to his too great anxiety to show the way to the rest of the field, combined with his inexperience. However, a Divine Providence kept him from harm until he had mastered his profession, and today, though he drives with apparently the same recklessness as in the days of yore, his smashups are few and far between.

De Alene will compete in the big 500-mile event as a member of the Duesenberg team that is expected to prove one of America's mainstays in the contest. He has been quite successful during the last few years, finishing well up among the winners in almost every race in which he has been entered, and ranking sixth in the 1916 A. A. A. driver's championship, being outranked only by Resta, Aitken, Rickenbacher, De Palma and Earl Cooper.

THREE NATIONS REPRESENTED ON ENGLISH
SUNBEAM TEAM IN BIG INDIANAPOLIS RACE

With the exception of the United States, every member of the Big Four among the allied nations in the recent world war is represented on the English Sunbeam team that will try to lift championship honors in the international 500-mile Liberty Sweepstakes on the Indianapolis motor speedway, May 31st.

Jean Chassagne, star driver of the British combination, and holder of the world's hour record until it was recently wrested from him by Ralph De Palma, is a Frenchman, having served his government as an inspector of aviation motors throughout the late world conflict.

Dario Resta, winner of the 1916 Indianapolis race and victor in the A. A. A. driving championship the same year, is an Italian, but made his home the greater part of his life in England and recently in the United States. At the wheel of the second Sunbeam in the Indianapolis contest, he is considered even more formidable than Chassagne, due to his greater experience on the Hoosier track.

Louis Costalen, relief driver of the Sunbeam team, is an Englishman of international fame, having designed the celebrated Sunbeam aviation motor that was the mainstay of British air supremacy during the late war. Costalen has never driven before in professional competition, but holds a record of more than forty victories in amateur races on the famous speedway at Brooklands, England.

She Followed the Line
We Sent Over the Rhine

The familiar figure in blue uniform and poke bonnet is back home to serve, after four years in khaki with the boys "Over There." Salvation Army lassies served old fashioned American doughnuts in the front line trenches, and now that the war is over they will be found again in the slums and dark places of our great cities, ready to give a helping hand to men, women and children who are on the down grade. The Salvation Army Home Service Campaign for \$13,000,000 opens May 19, to last one week.

ROADWAYS MUST
BE IN GOOD SHAPE
SAYS BUSINESSMAN

City As Well as Country Must Take
Care of Streets and Roadways—
More Sound Argument.

"I could afford to pay \$100 more each year in taxes if Maysville would fix her streets," remarked a business man who employs two trucks in delivering merchandise to his patrons.

If every business man and every other person who drives an automobile over the streets would stop to consider the increased cost of repairs and maintenance resulting from the bad character of many of our streets and the extra power required to drive through the muck of our unpaved thoroughfares, there would be a demand for improved highways that would sweep away all opposition based on objection to an increase in the tax rate.

People must eventually realize that well paved streets are an economy in addition to increasing the sum total of pride in the community. Why, the satisfaction of hearing the complimentary expressions of visitors to the city would be compensation enough for those who delight in making the home town a brighter and better place in which to live.

And following out the argument advanced by the business man referred

to, is it not true that public improvements bring rich returns in the way of enhanced property values so that in the final analysis they may be said to cost little or nothing.

Investigation shows that those communities that have provided modern improvements good streets, parks and playgrounds—handsome public buildings market houses, public supervised social centers, etc., have fewer causes to complain of unrest and lack of civic spirit. Therefore, opposition to a comprehensive plan of street improvements because of the cost, proceeding from a minority element among our taxpayers must not be permitted to seriously interfere with the program of civic improvements it is sought to achieve. The loudest knocker will become the most enthusiastic booster when he is "shown." The business man must remember that it is cheaper to pay for well paved streets than to repair automobiles. The householder must remember that it is cheap

Catarrhal Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists, etc.

WOMAN SO ILL
COULD NOT WALK

Lydia E. Pinkham's Vegetable Compound Restored Her to Health.

Perth Amboy, N.J.—"For three years I suffered with a severe female trouble, was nervous, had backache and a pain in my side most of the time. I had dizzy spells and was often so faint I could not walk across the floor. The doctor said I would have to have an operation. I read about Lydia E. Pinkham's Vegetable Compound in my newspaper, and tried it. Now I am better, feel strong, have no pains, backache or dizzy spells. Every one tells me how well I look, and I tell them to use Lydia E. Pinkham's Vegetable Compound—that is what makes me feel well and look well. I am using it now. You can use this letter if you wish, for it is certainly a grand remedy for a woman's ills."—Mrs. MARTHA STANISLAWSKI, 524 Penn St., Perth Amboy, N.J.

For forty years Lydia E. Pinkham's Vegetable Compound has been overcoming such serious conditions as displacements, inflammation, ulceration, irregularities, periodic pains, backache, dizziness, and nervous prostration of women, and is now considered the standard remedy for such ailments.

er to pave the street in front of his home and to lay good sidewalks than to carry the mud and dirt of the streets into the house to ruin the carpets and impair his wife's health.

Good streets and improved sidewalks are a real economy and we must do our best to convince the public that such is the case.

Work on Mrs. James M. Woods' new residence on Forest avenue at the head of Poplar street is progressing rapidly. When completed this will be one of the most attractive homes in that section of the avenue.

WORDS FROM HOME

Statements That May Be Investigated. Testimony of Maysville Citizens.

When a Maysville citizen comes to the front, telling his friends and neighbors of his experience, you can rely on his sincerity. The statements of people residing in far away places do not command your confidence. Home endorsement is the kind that backs Doan's Kidney Pills. Such testimony is convincing. Investigation proves it true. Below is a statement of a Maysville resident. No stronger proof of merit can be had.

George H. King, prop., grocery 615 E. Second St., says: "I have used Doan's Kidney Pills off and on for several years, getting them at Chanslor's Drug Store and I have been greatly benefited by them. Sometimes the kidney secretions have been irregular in passage. I have suffered severely with aches through the small of my back. When I have been in that way, I have used a box or two of Doan's Kidney Pills. They have never failed to cure the attack in quick order."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. King had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

GOVERNOR BLACK UNABLE TO SPEAK IN FLEMING

Flemingsburg, Ky., May 27.—On account of the sickness of Governor Black which keeps him confined to his room, he was unable to appear here Monday to fill his speaking appointment in behalf of his canvass for Governor. J. C. Jones of Frankfort was here in assurance that Governor Black would speak here later during the campaign.

NOTED SPORTSMAN TO START LIBERTY RACE

E. C. PATTERSON INDIANAPOLIS 500 MILE STARTER

E. C. Patterson, of Chicago, celebrated cross-country driver, football expert and ex-baseball star, has been selected to start the International Liberty Sweepstakes race on the Indianapolis Motor Speedway race, May 31st. In previous years Patterson has been an entrant, bringing Theodore Pilette from Belgium to compete in the contest of 1913, and backing Ralph De Palma in the 1914 and 1915 events.

Patterson is one of the finest sportsmen who ever graced a pastime, and he has been identified with a number of them. As an example of his mettle it may be cited that in 1915, when De Palma captured first money at Indianapolis, amounting to \$20,000, Patterson, though he had financed the Italian's campaign in its entirety, refused to accept a single penny of his winnings, but insisted that he keep them all.

Undisputed holder of the cross-country record between New York and Chicago, Patterson makes it a point every year to try and clip a few

minutes on or his best previous performance, and thus far he has always succeeded. When he is not busy driving fast cars, he picks all-western football teams for Collier's Weekly, and he also holds the strike-out record for organized baseball.

CLOSE SHAVES FAIL TO GET THIS STAR'S GOAT

WILBUR DE ALENE

Wilbur De Alene, one of the racing celebrities on whom America will pin her faith in the International 500-mile Liberty Sweepstakes on the Indianapolis motor speedway, May 31st, has probably had more miraculous escapes from death without losing his nerve than any man in his dangerous profession, not excepting Barney Oldfield, who had quite a few.

In the 1914 road race at Elgin, De Alene blew a tire just before reaching the grandstand. The car skidded and lurched crazily along the narrow road, but through an exercise of superhuman skill, coupled with marvelous luck, De Alene managed to prevent it from crashing into the towering structure. When the car finally came to a stop in front of the pits, a sigh of relief welled from the throat of every spectator. A few inches more to the right, and the lives of fifty bystanders would have been blasted out of existence.

SWEEPSTAKES NOTES

Place—Indianapolis Speedway, Indianapolis, Ind.
Date—May 31, 1919.
Time—Race starts 10 a. m.
Distance—500 miles.
Purse—\$50,000 and three trophies: Wheeler & Schebler, Prest-O-Lite and Strauss Cup.
Entries—Forty-three drivers have been entered, including four former winners—Resta, Goux, Thomas and DePalma. Every driver must average 85 miles per hour during qualifying week in order to enter race. AAA rules permit of only 33 cars on track.
Attendance Expected—150,000

The back yard gardeners have been unable to do much in their gardens for the past two weeks on account of the rains but Monday found many busy and as the ground is in fine condition just now it is expected that during the next few weeks there will be much done. All gardens are looking fine and prospects are unusually good for good production.

Points in the Moline's Favor

There are many points in the MOLINE's favor when the question of what Farm Tractor to buy comes up. To put them all in print would make a long, long story—but to make a long story short—

POINT 1—The MOLINE is the ONLY tractor with electric lights and self-starter. You don't have to quit important plowing or other work just because the sun goes down. Just turn on the lights and keep right on. The MOLINE will work 24 hours a day for you. Never mind the weather. If it rains on Monday, you can do 2 days' work on Tuesday to make up for it.

POINT 2—The MOLINE is the ONLY tractor that cultivates the seed in the soil.

POINT 3—The MOLINE is the ONLY tractor that reverses and goes around a stump or rock. You drive the MOLINE same as an automobile. Drive backward as well as forward.

POINT 4—The MOLINE is the ONLY tractor that cultivates two rows at a time.

POINT 5—The MOLINE is the ONLY tractor that can be turned around in a 16-foot circle and can be put in a small-sized shed.

POINT 6—The MOLINE is the ONLY tractor that has a device to lock the differential and give perfect traction in soft ground.

POINT 7—The MOLINE is the ONLY tractor that will start and finish a field without a horse.

There are SEVEN points—"one for every day in the week."

For more "points" or a demonstration, phone, see or write

DRAFT BOARD WILL BE DISCHARGED AT EARLY DATE

Members of the Mason County Draft Board Receive Instructions That They Will Be Honorably Discharged at Early Date.

Members of the Mason County Draft Board have just received communications from Provost Marshal General Crowder's office in Washington informing them that within a very short time they will receive from the government their formal discharge from the service. The communication received Monday stated that they would not be called upon for any further service but the government is planning an attractive discharge which is to be signed by the Provost Marshal General and countersigned by the Governor of the state.

The discharges will set out the service that has been rendered by the members of the local boards and will be a certificate of communication that when framed will make a very attractive keep sake and remembrance of the World War in which the members of the local boards had so much service.

Members of the Mason County Board are very anxious to now receive their final discharges. They have nothing further to do and all of the records and supplies have been sent in to the government.

WILD ANIMALS IS ADDED ATTRACTION

Gentry Brothers Circus Coming Here Next Wednesday Will Be Regular Big Old Time Circus.

Gentry Brothers Trained Animal Circus will exhibit in Maysville on Wednesday, June 4. This will be the 32nd annual tour of this popular firm and many improvements have been made in their already excellent show. An entire wild animal circus has been added since its last appearance in this city and a stirring new patriotic spectacle will also be seen here for the first time.

The Gentry Brothers program has always given the best of satisfaction in this city. In fact, it would be almost impossible to devise a cleaner, more pleasing and interesting exhibition than the one given under the Gentry Trade Mark. The street parade this year is said to surpass all former efforts and to be larger and better than previous years.

Additional subscriptions to Jewish Relief: Mrs. A. G. Watson \$1. Additional collection from C. W. Williams, Germantown \$4.

REVENUE DISTRICTS OF STATE ARE TO BE CONSOLIDATED

Headquarters May Be in Louisville—Office at Maysville May Not Be Disturbed.

Washington, May 28. — It became known here last night that with the coming of nationwide prohibition the five internal revenue districts of Kentucky are to be consolidated into one, with headquarters probably at Louisville.

The information was confirmed by Daniel C. Roper, Commissioner of Internal Revenue, who explained the plans. With the closing of the distilleries of Kentucky, it was explained, there would not be the same need for as many collection districts, and four of them are to be abolished, leaving Kentucky with but one collection district, as other states of about the same size as Kentucky have, where there have not been distilleries.

No intimation was given as to what is to become of the collectors of the four districts that are to be abolished, but assurance was given by Mr. Roper that none of the cities where there are now internal revenue offices will be deprived of offices for the transaction of internal revenue business, although they will all be branches of the one main office, instead of separate offices. The intention, he stated, was to bring the internal revenue service closer to the people rather than making it more inaccessible, and to do so it is proposed, instead of the present five main offices, to establish some twelve to fifteen branch offices, with full facilities in each for the transaction of every kind of internal revenue business.

Lexington is to have one of these offices, as well as Owensboro, Covington and Danville, where collection districts now have headquarters, besides eight or ten other cities in the State where it may be deemed advisable to establish branch offices.

With such concessions made between senators as will result in the confirmation of Thomas J. Cronan as collector of the Louisville district, and his nomination expected to be sent in and confirmed before the consolidation of collection districts is effected, the opinion seems to be that he would become collector for the district comprising the entire State.

While Commissioner of Internal Revenue Roper made the positive statement that but one district is to be maintained in the State, it is known that a very vigorous effort will be made to have the State divided into two districts, with headquarters of one at Lexington. Whether this plan can be made to supersede the Internal Revenue Bureau's present plan but one State remains to be seen.

This arrangement indicates that the Maysville branch office will not be disturbed.

ACUTE INDIGESTION FATAL

Mr. Wyatt W. Foster, well known farmer living on the Germantown pike about eight miles from Maysville, died rather suddenly late Tuesday from acute indigestion. Mr. Foster had worked in his fields Tuesday morning and was taken ill while working. Death followed only a few hours of suffering. He was 67 years of age and is survived by his wife and several grown children.

Funeral will be from the Germantown Christian church Thursday afternoon at 3:30 P. M. and burial will be made in the Germantown cemetery.

COLORS MAN IS BACK

Porter Beckett, well known local colored man, who was porter in several of the local barber shops, arrived in Maysville Tuesday night from camp having been honorably discharged from service. Porter saw considerable service overseas.

SPECIAL COMMITTEE HOLDS EARLY MORNING SESSION

Looks Like Concrete Will Be Decided Upon as Proper Paving for Between Car Tracks in Market and West Second Streets.

A very early morning meeting of the special committee of council recently appointed to confer with the Maysville Street Railroad Company to reach some agreement on paving between the car rails on Market and West Second streets was held this morning at 7:30 o'clock and considerable headway was made.

Mr. E. T. Kirk, extensive property owner on West Second street, was called into conference by the committee and the opinion of the property owners along the line will be obtained before anything definite is done toward finally solving this much discussed problem.

It seems as though the committee has just about reached the conclusion that concrete is the proper sort of paving to use and it is more than likely that the payment will be made by dividing the cost into three parts, between the car company, the city and the property owners along the line.

COURSE OF LECTURES BY UNIVERSITY PROFESSORS

Is Being Urged For Maysville—Subscriptions Being Raised and Course Seems Certain in Near Future.

The organization of a sort of "Citizens' Study Club" in Maysville has been suggested by a number of our prominent citizens who are interested and the University of Kentucky has agreed to furnish eight members of their faculty for 8 different lectures for the actual expenses incurred in giving the series. It is proposed to begin the series in the month of October and one lecture would be given each month until the series is complete.

Some of the suggested subjects are: Hours of Labor and Minimum Wage, Woman and Child Labor, Delinquency and Crime, Charity and Relief Work, Community Recreation, Social Hygiene, Social Principles of Education and Social Functions of Religion.

In order to defray the expenses of the series a number of our prominent citizens directly interested have been asked to subscribe to a fund to raise the necessary \$100 and so far the response has been good. When the one hundred dollars is raised the lecture course will be thrown open to the public and all interested will be invited to attend.

MRS. SILAS MASON VISITS GRANDFATHER'S BIRTH PLACE

The Society column of this morning's Lexington Herald contains the following interesting item:

Mrs. Silas Mason will be hostess to a delightful motor party to Maysville and Mason county Wednesday in honor of her aunt, Mrs. Robertson, of Louisville, who is house guest.

Among the guests will be Judge and Mrs. Charles Kerr and Miss Margaret Howard Kerr.

The party will go to Mason county to visit the birthplace of Albert Sidney Johnston, the distinguished grandfather of Mrs. Mason.

COUNTY TEACHERS SOON TO BE SELECTED

At the regular monthly meeting of the Mason County Board of Education to be held on next Monday, the teachers for the Consolidated schools of the county will be elected and on the first Monday in June the trustees of the various rural schools will meet to elect teachers for those schools. There are many applications and it is understood that there will be no shortage of teachers in this county this year.

BAND STAND GOING UP VERY RAPIDLY

The municipal band stand which is now being built in Market street by the force of Harding and Simons is going up rapidly. The stand is being built very strongly and when completed will be quite attractive. The contractors expect to have the stand completed by the end of this week.

SIXTH WARD SCHOOL ROOM BANNER GARDEN ROOM

Some time ago School Garden Clubs were organized in the city schools and all school children who helped in gardens were awarded small badges bearing the initials "U. S. S. G." It was announced this afternoon that in Miss Loyd's room in the Sixth ward, every pupil was enlisted and wore one of the United States School Garden badges.

Mr. Webster T. White, of Indianapolis, Ind., is here visiting relatives and will be accompanied home by his wife who has been ill for some time at the home of her parents, Mr. and Mrs. B. P. McClanahan in West Second street.

Mr. S. P. Browning, of the Ohio Valley Pulley Works, left today on an extended business trip to Detroit and other Northern and Eastern cities. He will be gone for several weeks.

"THE HUN WITHIN" A SUPERB PICTURE

Patriotism and Love Elements Charmingly Blended.

A finer story of patriotic trend than "The Hun Within," the new special Paramount-Artcraft picture which will be shown at the Washington theater next Thursday would be hard to find. It has a delightful love story and the subject is of up-to-the-minute time-liness. The picture was directed by Chester Withey, and the cast is a specially selected and strong one. George Fawcett, Dorothy Gish, Douglas MacLean and Charles Gerard play the leading roles, and a splendid performance is the result.

The story deals with Americans and German-Americans. Herman Wagner, a loyal German-American sends his son, Karl, to a German University for a finishing course. A pretty American girl, Beth, who is a ward in the Wagner home, is in love with Karl, and another youth, Frank Douglas, is smitten with the young lady's charms.

Karl returns from Berlin at the outbreak of the war with pro-German views, and he plots against the United States. He conceals an explosive to blow up an American transport, but his design is frustrated through the efforts of Frank Douglas, who has entered the American Secret Service, and Beth, the American girl.

George Fawcett gives a strong performance as Herman Wagner, the loyal German-American, and his grief at his son's treason is admirably portrayed. Douglas MacLean is a dashing lover, and does some splendid acting as the American Secret Service agent. Charles Gerard plays Karl Wagner, the son, and Dorothy Gish gives a charming and spirited performance as Beth.

POLICE ASKED TO LOCATE RUNAWAY BOY

Late Tuesday afternoon Frank Smith, son of Mr. and Mrs. Frank Smith, of East Second street, left Maysville in company with George Mitchell for Huntington, W. Va., where they were supposed to have gone to seek employment in coal mines. Young Smith left without the consent or knowledge of his parents and they have asked the local police to assist in locating and returning the young man. The local police have notified the Huntington police to be on the look out for the young man.

Mr. Garlie W. Reed and Miss Vada Belle Linville of Ewing, were married here this afternoon by Judge H. P. Purnell.

ROOSTER WEEK IN KENTUCKY

Farmers of the State Are Urged to Kill or Confine Roosters During a Given Period.

County Agent George Kirk issues the following statement on the killing on campaign of roosters:

The week of June 1 is to be "Rooster Week" throughout the State of Kentucky. All roosters are to be killed, sold, or confined for the rest of the summer. Eggs valued at the enormous sum of \$45,000,000 are lost each year in the United States through spoilage. The fertile egg makes up the greater part of this loss. The average farmer says "Too much bother", but he has no right to allow good foodstuff to go to waste. The nation needs the eggs and no good citizen will allow such waste to take place.

A fertile egg starts to develop into a chick at 70 degrees. The ordinary daily temperature will start this development. Unless the egg is then held at incubation temperature the germ dies and petrifies. That doesn't sound good to eat, does it? The farmer needs the egg money. Hence pen up that rooster. Infertile eggs do not spoil in this manner.

The dealer needs the business. The nation needs the eggs. Give the hen a chance to serve all of them. She lays a fresh egg. Keep it fresh by

1. Providing plenty of clean nests.
2. Gathering eggs twice a day.
3. Keep eggs as you would milk, in a cool place.
5. Marketing eggs at least twice a week in hot weather.

UNCLAIMED MAIL
